

Scholarship Application

Metropolitan Ballet of Tacoma believes that the experience of dance should be available to everyone. The lessons of discipline, self-confidence, technique, and artistry that are found within MBT's studios are lessons that should be accessible to all who desire to experience dance. MBT makes every effort to assist those with financial need or other special circumstances, assuring that as many people as possible have the opportunity to explore and enjoy the world of dance. To ensure that scholarships are distributed fairly and equitably, please complete the following application. Most questions can be completed by the parent/guardian, but the last question is to be answered by the dancer. MBT also requests that dancers receiving a scholarship abide by the expectations found on the back of this application. MBT has never turned away anyone due to financial concerns. We are grateful for the commitment of staff, parents, and dancers in building and growing of these significant programs.

Describe why you would like to take dance class, and what you hope to accomplish or gain as a dance student:

We understand that to receive and keep a scholarship, **good attendance is required**. Dancers are asked to maintain a positive and respectful attitude, and to always give their own personal best. Dancers are to arrive to class prepared and on time, this includes abiding by the dress code and all other school policies. If there is a change in our financial situation or circumstance, we will notify MBT and allow our scholarship to go to someone else in need.
